2. The Orange Line Flex Route transports passengers to Wright State University's Student Union. Passengers can then transfer to Greater Dayton RTA Route 1 for ride to Wright Stop Plaza. The Orange Line travels from Xenia through Beavercreek (throughout the Colonel Glenn Highway, Pentagon Boulevard, and North Fairfield Road corridors) to Fairborn and back again and connects to: Blue Line (Fairborn Circulator), Green Line (Xenia-Circulator), Red Line (Xenia-Dayton Connector) and Yellow Line (Xenia-Yellow Springs-Fairborn Connector) flex routes. See *Flex Routes* tab on website for more information, schedules, and maps.

Once at Greater Dayton RTA Wright Stop Plaza, passengers using options 1 or 2 must transfer to Routes 2, 8, or 9 to be transported to and from the Northwest Hub. Passengers are required to pay GDRTA fares upon transfer. No reservation is needed to ride Greene CATS Flex Routes. Please note that Red Line also travels to Eastown and Route 2 connects there and directly travels to Northwest Hub with no need to transfer at Wright Stop Plaza.

3. Scheduled Rides are available Monday-Friday 6:00 am – 10:00 pm. Rides are available on a limited basis and reservations may be requested up to one month in advance.
